

Would you like your children to have friendships based on Christian values and the teachings of Christ?

If so, please come to Faith Club on Wednesday evenings from 5:00-6:30 p.m.

Faith Club is a week day program for children in Kindergarten - Grade 6. We meet each Wednesday during the school year beginning in September and break for the winter holidays. We begin again in January and meet through the end of March. When Novi Schools are not in session, we will not meet.

WHAT IS IT ABOUT?

It is about equipping children to grow in the community of faith. They will learn in four core areas.

1. Worship Skills: The first component of Faith Club is worship and praise through music instruction and learning the integral parts of the service.
2. Bible Study: Children of all ages enjoy learning the word of God through fun activities and discussions.
3. Recreation: Faith Club participants continue to learn about the Lord and each other through crafts, games, movies, or exercise. These activities teach rules and help us to practice the lessons and skills learned during Faith Club.
4. Fellowship: When children attend Faith Club, they will learn about GOD by having fun and worshipping with friends. Participants learn the teachings of the Lord through Christ-centered worship activities, bible study, fellowship and recreation.

We hope that you will consider putting your child in this special weekly program.
